

Pet Friendly Policy

Dear Guest,

Thank you for choosing the Country Inn & Suites, Brooklyn Center. We know that your pet is part of your family and we would like to accommodate him or her just as any other guest in our hotel. To best serve all of our guests, we ask that you please review our policy regarding pets as guests in the hotel.

Contacting the hotel to confirm arrangements for your pet is required to ensure the hotel has your room assigned in advance. A room will be assigned to the first floor to accommodate you and your pet needs.

There will be a one-time \$40 service charge plus tax for keeping a pet in your room. The service charge is to cover the cost of cleaning the room after departure. There is no charge for service animals.

All pets must be in a crate or suitable carrier in the room while you are away. This is for the safety of the housekeepers as well as the pet while your room is being serviced. Pets must not disturb other guests. Fair warning will be given only once following any noise complaints. Pets must be on leash when not in room.

Pets will be allowed at our discretion. The hotel reserves the right to refuse accommodations to anyone with a pet with a poor demeanor.

Your signature below is acknowledgement that you have read and agree to the above terms.
